

**California WIC BPC Program**  
**Time Estimates For Various Types of Peer Counselor Contacts:**

Type of Contacts	Calculating Time Charged
Telephone Calls	4-6 calls per hour, including documentation time.
Home Visits	Around 2 hours per visit, including travel time and documentation (times will vary depending on assistance provided, and distance to mother's home). Mileage is additional.
Hospital Visits	Varies depending on purpose (general 1st introduction rounds vs. problem-solving). Mileage is additional.
Clinic Counseling	Around 30 minutes per visit, including time to document the counseling
Classes and Support Groups	Around 2 hours (1 hour class, plus preparation and class set-up)
